

ID:IN CHRIST

Week 4 – Nov 11th, 2018

Knowing and Believing

Some lies you believe...

Knowing – gathering information so I may come to the proper conclusion of what I am to believe.

Knowing is not enough to make it real.

What is the good of your knowledge unless you believe?

- Charles Spurgeon (Knowing and Believing)

Believing – taking the knowledge gathered and making the necessary steps that moves to action.

Faith at work – Mark 2:1-12

I am asking us to believe what we know...to grow in what we understand the truth to be...leading us to grow in our belief and faith.

Just as I have to choose to believe...to have faith in Jesus Christ as my Savior...to place my trust in Him for salvation, I must also choose to believe who God says that I am IN CHRIST!

Choosing to believe who we are IN CHRIST leads us to action where we become more LIKE CHRIST!

God loves me and always will.

I am His child and always will be.

I am an exile and sojourner in this world.

I have been given access to all the things I need.
